8-24-11 Letter to Gerald H. Meral (BDCP) re Environmental Analys.pdf

Tom,

A few additional documents . . . .

Attached is an August 2011 follow up to Tom Howard's April 2011 letter to Gerald Meral (probably not useful, but I thought I'd let you decide).

Also, here is a State Water Board webpage that provide a modicum of additional information about the Board's activities and the relationship with BDCP:

[http://www.waterboards.ca.gov/waterrights/water\\_issues/programs/bay\\_delta/bd\\_prcss\\_faq.shtml](http://www.waterboards.ca.gov/waterrights/water_issues/programs/bay_delta/bd_prcss_faq.shtml)

And if you haven't seen it, here's a link to a recent interesting KQED article that discusses the Board's Delta planning process: <http://blogs.kqed.org/newsfix/2013/03/19/where-californias-water-future-is-really-being-decided-hint-its-not-about-tunnels/>
